

Science GCSE Tutor

At Beyond Horizons Tuition (Trading name of Al-Bashir Academy Limited), our legacy is defined by excellence and transformative education. Recognized as an award-winning tuition centre, we pride ourselves on crafting a world-class learning environment where every student is empowered to reach their zenith. Our commitment to providing unparalleled instruction in Maths, English, and Science is evident in our selection of experienced and passionate educators who champion engaging and interactive teaching methodologies.

Our ethos is built on the foundation of individualized attention, ensuring that every student benefits from small class sizes and the dedicated guidance of our esteemed faculty. The structured learning environment, enriched with a plethora of resources from textbooks to online materials, serves as a testament to our dedication to academic growth.

As we continue to navigate the path of education, our mission remains unswerving: to inspire and empower. We believe in the unique potential within every student and strive to unlock their innate talents and interests. Our vision transcends the walls of our centre, envisioning a brighter, more equitable, and inclusive society, and we seek educators who share this vision.

If you believe in the power of education, the significance of hands-on learning, and the impact of nurturing every student's potential, then Beyond Horizons Tuition beckons. Join us in our journey to make a positive difference in the world, one student at a time.

****Note: **** This is a part-time role, with availability required during weekends and evenings.

Responsibilities:

- Plan, develop, and deliver tailored Science lessons to students up to GCSE level, ensuring alignment with the GCSE Science curriculum and Beyond Horizons' ethos.
- Assess students' learning needs, developing and implementing customized teaching strategies to address them.
- Provide individualized support to foster strong reading, writing, and communication skills in students.
- Create and maintain a positive, engaging, and interactive learning environment that motivates students to excel in Science, ensuring teaching methods align with the centre's commitment to engaging and interactive learning.

- Monitor and track students' progress, adapting teaching methods as needed to ensure optimal learning outcomes and providing regular feedback sessions.
- Collaborate with team members, utilizing the range of resources provided by Beyond Horizons, including textbooks, worksheets, and online materials.
- Engage with students' reports to communicate progress and provide strategies for improvement with parents or guardians.
- Stay updated on curriculum changes and educational best practices to enhance teaching quality.
- Participate in staff meetings, professional development activities, and actively contribute to fostering the centre's culture of excellence and equity.

Persons Specification:

- Proven experience in teaching Science (Biology, Chemistry and Physics), preferably beyond the GCSE level, and familiarity with the current GCSE Science curriculum.
- Excellent communication and interpersonal skills.
- Patience, empathy, and a demonstrable ability to motivate and inspire students.
- Knowledge of curriculum standards, assessment methods, and a commitment to creating a positive and inclusive learning environment.
- Flexibility and adaptability in teaching methods, with strong organizational and lesson planning skills.
- Enhanced DBS check.
- Ability to work in a structured learning environment and contribute positively to the academy's culture.
